MILWAUKEE BREWERS VS CHICAGO CUBS SEPTEMBER 3, 2018

Pre-reunion Baseball Game and Tailgate Outing

Dennis & Kathy Witt

Miller Park - Home of the Brewers

Kathy and I are organizing a pre-reunion baseball game and tailgate outing for our Red Warriors reunion group. The Milwaukee Brewers play on Monday afternoon (1:10 PM), the 3rd of September (Labor Day), against the Cubs at beautiful Miller Park (a retractable roofed stadium). I'm going to reserve tickets for that game when they become available in late December or early January. The Brewers expect this game to be a sellout because Cubs fans always come up here in droves.

The number of tickets I reserve in December will depend on how many are ordered between now and then. I will order tickets for everyone who has ordered and paid for them. Plus, I will order a number of extra tickets for RW's who decide to sign up for the reunion and game between January and July.

The extra tickets will be sold to our RW group based on a first come, first served basis until all the extra tickets are gone. Once they are gone, I probably won't be able to get more from the Brewers because of the expected popularity of this game.

If we have unsold extra tickets still available in July, I will begin selling them via the internet at that time. All the tickets I order in December must be paid for at the time I order them. Because of that, we need payment in advance from all who wish to order tickets.

The Baseball Outing will be a completely separate event from the official reunion activities and will involve

additional costs for everyone coming to the game and tailgate outing. To keep costs down, we plan on keeping the tailgate activity and food fairly simple. Our children have volunteered to set it up and cook. The outing cost of **\$70.00** per ticket will provide tickets to the game, transportation to/from the hotel and stadium, tailgate lunch in the stadium parking lot before the game including beer/soda/water, and also some great camaraderie. I'm sure the other fans attending the game will be very impressed with all the Red Warrior shirts and hats they see.

Those attending the Baseball Outing will be leaving the hotel for the game and tailgate party between 9:30 and 10:00 AM on Monday morning so **please plan your arrival time in Milwaukee and your hotel reservations with that in mind**. There is a big Harley-Davidson event in Milwaukee the weekend before our reunion starts and our hotel has stated that Sunday night reservations at the hotel (or any hotel near Milwaukee) may become impossible to get as time goes on.

Again, the Baseball Outing is a separate, special event for the Red Warriors and their guests. **Remember, it is not officially part of the reunion costs or activities.** We are confident that after our Milwaukee Brewers win the game, even Red Warriors who are Cubs fans will be completely happy they attended. It's all about the camaraderie!
